Dear Ms. Thomas;

Thank you for your email and warm comments. Aquathin and I have enjoyed a long 20+ year very special friendship and business association with Pierre and Aquathin d' Haiti, providing pure water for many Haiti companies, organizations, hospitals, clinics, residences. On behalf of the entire Aquathin Dealer Community, taking the action we did for Hopital Espoir and others was our obligation.

I look forward to meeting you on my next visit. Warmest regards,

Mr. Alfred Lipshultz,

Dear Mr Lipshultz,

My name is Gladys Thomas and I am the Director of Hopital Espoir (Hope Hospital) in Port-au-Prince, Haiti. In the midst of the terrible disaster that hit our nation on January 12th, we can also count a few blessings. Through Aquathin and the intervention of Mr. Pierre Sajous, the hospital benefited from the installation and provision of pure drinkable water. With the hospital treating 100's of patients, this water could not have come at a better time thanks to your generous donation of the equipment.

In the name of the people we serve, I want to thank you so much for your donation. I assure you that it will be serving 100's of people daily with this precious water.

May God bless the Aquathin team.

Gladys Thomas
