THE PORTABOUTS

CLASSIC RO-DI TRAVELER

Perfect for recreational vehicles and motels. Water quality guaranteed wherever you go. Easily carried in its own tough utility carrying case.

The most beneficial traveling accessory you will ever own. Aquathin® manufactures the only **REVERSE OSMOSIS PLUS DEIONIZATION** unit on the market. Specially designed to remove salt, heavy metals, chemical pollutants, pesticides, nitrates and disease causing waterborne micro-organisms. Produces 12-18 gallons per day. Fills any reservoir desired.

Astro-Traveler, perfect for recreational vehicles and motels. Guaranteed pure water wherever you go. Easily stored in briefcase or suitcase. Specially designed and perfected from the Aquathin® **KITCHENTOP** Models. No more surprises, make your own pure water wherever you stay. Utilizes the RO process similar to the **KITCHENTOP** Model. Includes Aquathin's Lifetime Warranty.
