AQUATHIN: BORN IN THE USA... PROUDLY MADE IN AMERICA... 40 YEARS PURE EXCELLENCE

Established March 1980 [Aquathin](#) began as a family owned Florida business, with a singular focus to design [the very best most effective water purification systems in the world.](#)

Aquathin has grown from a 900 square foot bay warehouse producing only one model...and today, Aquathin resides in 25,000 square foot manufacturing, training corporate headquarters and remains a family owned, sustainable, purpose driven manufacturing company, having earned a stellar reputation and 7 patents, producing over 70 proprietary state of the art water purification, softening, and filtration systems, all Made In USA, serving three generations of domestic and international residential [Customer Advocates](#)

...and serving domestic and international commercial, industrial and laboratory markets.

[Aquathin has achieved more accomplishments, achievements, honours and awards](#) than most any other company.

...and in the history of this company...Aquathin has never laid off anyone.

Note: the Covid-19 virus is not found in chlorinated municipal drinking water. HOWEVER, if it were, your [Aquathin Multi-Barrier RODI UF Purification System](#) removes it...and all disease causing water borne microorganisms.

I love my Aquathin...and three generations do too!
