Dear Aquathin Dealer OnLine;

Earlier this morning I sent another lead from our website to my friend, Sr. Saul Flecha, President of Aquathin de Puerto Rico. I encourage our Dealers to use the Aquathin website in all their advertising including print, radio and television. For example, if you show your telephone number on your TV commercials and Yellow Pages, also show the website of www.aquathin.com just below it. All inquiries that come in are always immediately emailed or faxed to you, as we do for all Authorized Dealers around the world. You will find that the internet has created a large number of people who prefer to receive information in advance of receiving a sales person...and as you know, the Aquathin website is incredibly impressive. As well, by showing the website in your literature, business cards and advertising, people are impressed with this added credential and convenience.

Oh, and best of all. The Aquathin website is valued at \$150,000.....and its free to use !
