Subject: AQUATHIN AT EXPO USA 2003 WITH GOVERNOR JEB BUSH

Dear Aquathin Dealer OnLine, Splash NewsBulletin and Allergic Reaction NewsBulletin Members;

[EXPO USA 2003.JPG](#)

Aquathin Corp. USA was selected by Enterprise Florida to participate in Expo USA 2003 which just completed a very successful week in Santo Domingo, Dominican Republic. Expo USA is the largest exhibition of American products and services in the region. Team Florida -- Dominican Republic, led by Governor Jeb Bush is part of a statewide strategy to aggressively market premier Florida products and services throughout the Caribbean.

The Aquathin booth received one of the largest amounts of prescheduled appointments from parties interested in our patented systems, support, technology....and especially "The Sweetwater Project" where we formally "tested the waters" so to speak ! More to come on the project !!

Attached herewith are two photos during the exhibition and cocktail receptions. In the top photo, pictured left to right from Aquathin d'Haiti is "Hoppalong Charles" Saint Remy (broke his leg 2 weeks ago), Pierre Sajous, myself and The Honorable Governor Bush. The bottom photo from Compuestos Dominicanos, the Authorized Aquathin Dealer in the Dominican Republic is Celso Marranzini and missing from photo is his brother Manuel...Pierre peeking over Celso's shoulder, myself, Charles, and The Honorable Madame Vice President Milagros Ortiz-Bosch of the Dominican Republic.

The event was electric with many government officials, dignitaries, press, and business professionals. I might add that Enterprise Florida, U.S. Commercial Service and U.S. Export Assistance Center performed an outstanding first class event spotlighting all Florida companies. Special thanks also goes to Florida Chamber of Commerce, Florida District Export Council, World Trade Center, Small Business Development Center, TravelLeaders, American Airlines, American Chamber of Commerce of the Dominican Republic and Camara de Comercio y Produccion de Santo Domingo.

Warmest regards to all...as well, your comments are always welcome and very much appreciated.
