Subject: BIZ BANK: JUMP START TO ANOTHER REASON TO OWN AN AQUATHIN !!!

Dear Aquathin Dealer OnLine;

According to the National Retail Federation, nearly half of taxpayers (46.7%) plan to pay off debt with their tax refunds. Saving money comes in second, with 35.2% of people planning to stash at least some of the money in savings accounts. Those who will make a decision to spend will find several outlets, including everyday expenses (25.7%), vacations (11.7%), and major purchases (10.9%).

The Internal Revenue Service collects more than \$2 trillion in taxes, and processes more than 200 million tax returns each year. Taxpayers receive nearly \$300 billion in refunds each year, and this year more than 150 million people, or 67.9% of Americans, expect a refund. The average refund so far this season is \$2,704, up from \$2,614 in 2005.
