**Subject:** NEW BOOK FROM AQUATHIN !!!!!

*Dear Aquathin Dealer OnLine;*

*In conjunction with the new Aquathin Allergy Store, we have prepared a dynamic reference book entitled **Allergy Free Living**. This terrific guide provides detailed information concerning the immune system, symptoms, allergy testing , pollen, mold, dust mites, animal dander, foods, chemical sensitivity, avoidance and life enhancement procedures.*

*Here's the great part. **Allergy Free Living** is only \$5.95 with your cost at \$2.50 (see page 16 in New Planner). **BUT THE BOOK IS FREE IN EACH AQUATHIN POU RODI, SOFT & CLEAN AND MEGACHAR.** It will be packaged with the free Aquathin Coffee Mug. You will notice that the back of the book has a designated area for you to place your business card.*

*I respectfully recommend that you thoroughly read **Allergy Free Living** and make it a most important part of your presentation and installation. **No One Does It Better !***

*Lastly, because we are the publisher, you are invited to provide suggestions for items you would like to see added to future printings. For example, the next printing will include a listing of prescription allergy drugs by advertised name, chemical name, purpose, reactions to i.e side effects, and combination restrictions.*

*Have a great week. Warmest regards to all,*
