Dear Aquathin Dealer OnLine;

GREAT NEWS ! ENJOY !!

AQUA Q's COMPLETELY LOADED IN "AQUATHIN UNIVERSITY"

All of these terrific and insightful ongoing educational series have been loaded and will be updated monthly with that month's AQUA Q's. Now here is the really cool feature: when the Adobe pdf opens, you can "search" for what you want by using "CTRL+F", which opens the search window and typing the keyword(s) i.e. "Golden Guarantee" into the search window. All articles on the subject will immediately come up. This feature will also be made available in all BANKS. Next BANKS to be completed are Tech Bank and Biz Bank !!!

H2O UNIVERSITY ADDED TO "LEARNING CENTER"

The Southern Nevada Water Authority has created an outstanding educational tool for schools concerning water, hydrological cycle and a whole lot more. It is so well done, it is included now on the Learning Center...just click the button. I would respectfully urge you during your presentations, when you notice your Customers have children, take the time to direct them to this part of your website...makes for a great science project tool....and you get the credit !

WHERE THE YELLOW, LIVE STRONG

*Twenty five years ago, it was Aquathin's goal and ultimately our destiny, to be the very best at removing carcinogens (cancer causing) from the tap water battle front. Fighting cancer on all battle fronts is important, and that is why during our **25th Anniversary Celebration**, Aquathin is a proud sponsor of the Lance Armstrong Foundation <http://www.laf.org/about/> (note the announcement on the Aquathin homepage). Winner of his 6th Tour de France, and winner over cancer, Lance's creed is LIVE STRONG. His foundation created the LIVE STRONG wristband bracelet. Aquathin has committed to purchase LIVE STRONG wristbands and supply one FREE with each of our Patented RODI Water Purification systems. Wear THE YELLOW...LIVE STRONG !!*

Have a great weekend ! Warmest regards to all...as well, your comments are always welcome and very much appreciated.
