Subject: NEW ANNUAL SERVICE REMINDER POSTCARDS

Dear Aquathin Dealer OnLine and Splash Member;

[postcard.jpg](#)

NEW !! Attached herewith is the new Annual Service Reminder postcard....bigger, brighter and better at getting your customer's attention versus ordinary junk mail. The Annual Service Reminder is a FREE service provided by Aquathin Corp.(and only Aquathin does this) mailed to each and every Aquathin Customer whose warranty card(s) have been submitted to us and entered into our Customer Databank. This is an annual mailing sent normally one month in advance of the anniversary of the date of installation.

Further, in several states such as Florida, it is law that the end user receive notification for scheduled maintenance to assure proper operation. Aquathin assists Dealers by providing this service...although it is a great idea if the Dealer sends notifications as well.

Included in the Annual Service Reminder are the two new websites and bolded notice that only genuine authorized Aquathin components will maintain their warranty.

Enjoy !

Warmest regards to all,
