Subject: NEW -- ANNOUNCING "BIZ BANK" -- FIRST ISSUE -- IDENTITY THEFT & TAKING CREDIT CARDS

Dear Aquathin Dealer OnLine;

[cc authorization form.pdf](#)

*Recently we sent you an email concerning Employee Manuals to which we received tremendous praise. Thank you for all your comments for the Manual recommendation and previous Sales & Marketing Tips. We often receive questions from Dealers along this line and questions pertaining to running an efficient business. We are pleased to announce the formal introduction of "**BIZ BANK**", where we will be providing information for operation of a successful and efficient business including the continuation of Sales and Marketing Tips.*

This first official emailing concerns IDENTITY THEFT & TAKING CREDIT CARD PAYMENT --

Identity theft, credit card theft and misuse of credit card privileges are very serious growing concerns... accepting credit cards by phone should not be hazardous to your business. Attached herewith is the credit card authorization form we've recently developed to assure that we are doing business with a legitimate party with a legitimate credit card.

We are pleased to provide this form for your review, amending and use at no charge....and I urge you to implement this practice immediately to protect yourselves....and to let your Clients see that you are interested in protecting them as well.

Happy Thanksgiving & Warmest regards to all,

FOR THE BEST TASTE IN LIFE
